

Lakeway police collecting items for Harvey first responders

The Lakeway Police Department in conjunction with the Lakeway Police Officers' Association is working to gather needed items for fellow officers in the Houston area responding to Hurricane Harvey.

Those officers are needing bath wipes, baby wipes, body powder, hygiene products, razors, medium to extra-large shirts, socks, power and granola bars, non-perishable snacks, towels, water, Gatorade, toothbrushes and toothpaste, hand sanitizer, blankets, and more.

These donated items may be brought to Lakeway Police Department, 104 Cross Creek, by the evening of Sunday, Sept. 3.

"If you can help us gather the much-needed items for these Houston-area officers, it would be greatly appreciated," Lakeway Police Chief Todd Radford said. "Thank you in advance for your kindness and generosity."
